

## MOTORIZED MONITOR AND TV WALL MOUNT

COLUMN STEEL, MELAMINE CHIPBOARD FRONT COVER, FLOOR TO WALL MOUNT, SLIM APPEARANCE

### PRODUCT

Due to its unique construction and the seamless front cover the Conen Mounts CMFWMS motorized monitor & tv wall mount adds a functional design highlight to any conference area. The slim appearance of this tv wall mount makes it even fitting into rooms of a smaller size.

The tv wall mount riser accommodates presenters of various heights or those in wheelchairs. The system offers 20" of smooth height adjustment, allowing for virtually any 42"-86" panel to be mounted.

The lift can either be mounted only to the wall or to wall and floor. In case of wall mounting application the base can be removed. The system can be fixed to the wall by using 4 screws. 2 floor levelling feet are included in the base.

### FEATURES

- Cable management inside the column
- Cable chain for cable management outside the column included
- Several cable outlets
- Integrated bracket for Mini-PCs inside the column, Vesa 100x100
- Cable remote control included
- Bracket for remote control mounting underneath the display
- Two removable front covers for easy revision
